Function : Regulatory Affairs Manager

This Declaration of Conformity relating to Technical Documentation DOC275ABJ33662 supersedes the previous Declaration signed 01-December-2021.

Intended Purpose:

Kaio-Dia® Dia-Band Kids®, arm sleeves are independently developed as universal after market accessories used to provide additional fixation support for a wide variety of medical devices, such as CGM and insulin patch pump, that in their native forms are attached to the skin with an adhesive fixation.

(see attachment **Appendix 1 – List of Supported Product version #3**)

Dia-Bands Kids® are available in pediatric sizes and various color design are non-sterile and may be reused (intended for single patient use only).

The devices are not designed or sold for use other than indicated.

EMDN code and description:

Z12040180 - GENERAL MEDICINE INSTRUMENTS FOR DIAGNOSIS AND MONITORING - HARDWARE

Class: I

Classification rule (Annex VIII): 1

to which this declaration relates is in conformity with the requirements of the medical devices regulation 2017/745 (EU MDR).

This conformity is based on the following elements:

- Technical Documentation reference: DOC275ABJ33662, of the product to which this declaration relates.

As a Class I medical device, this product is self-certified in accordance with Regulation (EU) 2017/745. The conformity assessment has been carried out under the sole responsibility of the manufacturer, without the involvement of a Notified Body.

The undersigned, acting on behalf of CV. Anggrek-Liar, assumes full responsibility for ensuring that the product complies with all applicable European laws and regulations
